

Legend

- Study Area (onshore)
- Geological Conservation Review Sites
- Source Protection Zones

- ### Aquifer Classification
- Aquifers with significant intergranular flow
 - Highly productive aquifer
 - Moderately productive aquifer
 - Low productivity aquifer
 - Aquifers in which flow is virtually all through fractures and other discontinuities
 - Highly productive aquifer
 - Moderately productive aquifer
 - Low productivity aquifer
 - Rocks with essentially no groundwater

N
 1:800,000
